

VACANCY

External Ref: THA243

Teacher of Science

Full-time – commencing September 2018

MPS (Outer London)

The Harefield Academy is an 11-18 comprehensive school, with a small state boarding facility. In our most recent HMI visit in May 2017, the inspector reported that “*The school has been transformed. I saw that both staff and pupils have high expectations of work and behaviour.*” As a smaller than average school, we are able to get to know each student well and respond effectively to their learning needs as a result. Similarly our staff work together in a collaborative, supportive and cohesive way with common purpose. We offer a comprehensive programme of continued professional development for teachers at all levels across the school through numerous collaborative networks and across our friendly and well established Trust to help staff to progress. This is an exciting time for The Harefield Academy as we continue to go from strength to strength.

The Science Department at The Harefield Academy is a dynamic and positive environment to work within. The successful candidate that joins it will be a strong and consistent practitioner who can inspire students with a love of science and a desire to achieve. They will be able to collaborate with others to ensure all students receive an excellent Science provision. They will join a Department of strong teachers who welcome working together to share and improve the Faculty and develop students’ resilience through active learning. The candidate will be required to teach Key Stages 3 and 4, with the opportunity to teach A Level for the right candidate. We have excellent facilities, with seven Science labs and two additional preparation rooms with very strong technical support.

If you would like to discuss the post or require further information please contact Kat Gillett, Director of Learning for Science at kgillett@theharefieldacademy.org.

The Harefield Academy is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

Closing Date: 18th May 2018

Application forms can be downloaded from The Harefield Academy website.

Completed application forms should be returned to:

Human Resources, The Harefield Academy, Northwood Way, Harefield, Middlesex, UB9 6ET
