Dear Parent/Carer,

Our '**Year 11 Parent Information Evening**', video and accompanying presentation is now ready for you to view on the school website. This presentation covers some of the key areas for Year 11's to focus on at this point in the year, such as support for exams and applications for next steps beyond the compulsory 11-16 education.

Our Year 11 students have had an excellent start to the year, with some very impressive data from their most recent reporting cycle. This includes a record number of merits for some of our THA values and is indicative of the excellent effort shown by the Year Group.

I have been thoroughly impressed by the students resilience and flexibility to the adaptations put into place due to COVID, particularly those around changes to the examination season and I would like to echo the congratulations shared in the video by congratulating all staff, students and parents on helping to contribute towards a successful start to the mock exam season.

I hope that you find the video informative and that this provides you with an overview of the priorities for our Year 11 students, however if you still have any concerns please do not hesitate to contact us, my email address is [gemma.gardner@theharefieldacademy.org](mailto:gemma.gardner@theharefieldacademy.org).

Yours sincerely,

A handwritten signature in blue ink, appearing to read 'Gemma Gardner'.
