Dear Parent/Carer,

Forename Surname, Tutor Group

I am delighted to inform you that we, as an Academy, use Show My Homework – a programme that makes setting, monitoring and viewing homework more efficient and effective.

Please find attached to this letter your login details together with NAME's details, which will allow you to check every piece of homework that has been set for NAME. It will enable you to view in-depth details of the homework, including the date each piece is due to be handed in.

This initiative has an incredibly positive impact on the learning of all our students at The Academy and it is our hope that all parents will use the software regularly to ensure that their son/daughter is always on top of their work.

Please take a look at the homework page on the website for more detailed information regarding the homework timetable for NAME for this term.

Yours sincerely,

Nicky Williams
