Teacher of Maths

MPS (Outer London) Full-time or Part-time
Easter 2019 or before

The Harefield Academy is an 11-18 comprehensive school, with a small state boarding facility. In our most recent Ofsted inspection in September 2018, the inspector reported that: *“The behaviour of pupils is good...Pupils are confident, welcoming and appreciative of their education and all that the staff do for them. Teachers apply their specialist subject knowledge to motivate pupils. They use questions thoughtfully to extend pupils’ thinking and refine their use of technical vocabulary. Leaders have demonstrated drive, resilience and commitment so that the school is a stable, purposeful and cohesive learning community.”*

As a smaller than average school, we are able to get to know each student well and respond effectively to their learning needs as a result. Similarly our staff work together in a collaborative, supportive and cohesive way with common purpose. We offer a comprehensive programme of continued professional development for teachers at all levels across the school, through numerous collaborative networks within the borough and externally. This is an exciting time for The Harefield Academy as we continue to go from strength to strength and we would welcome applications from dynamic individuals with a drive to make a difference for the young people in our care.

We are currently looking for a Maths Teacher to join us at Easter or before to teach across Key Stages 3, 4 and possibly 5. We are able to be flexible and will consider this position as either full-time or part-time.

The Maths Department is a strong department that work closely as a team to ensure ever improving results. All members of staff have a dedicated teaching room.
