September 2020

Dear Parents/Carers,

We are delighted to have welcomed back all students to school. Despite the extended period of home learning, students have been supported with adapted curriculum plans, enabling them to catch up swiftly and make good progress in line with the expectations for their Key Stage.

To support students further, we are arranging Years 7, 8, 9 and 10 Maths, Science and English assessments between the **28th September** and the **16th October 2020**. These assessments will take place in the Circle room and will give the students the opportunity to practice working in exam conditions whilst helping us to identify any gaps in their knowledge.

The assessments for Years 7 – 10 will start on the week commencing the 28th September with Maths assessments on the dates shown below.

Year Group	Date	Time
Year 7	Tuesday 29 th September	10:05 – 11:25
Year 8	Monday 28 th September	12.00 - 13.20
Year 9	Tuesday 29 th September	12:00 – 13:20
Year 10	Monday 28 th September	09.15 - 10.40

We hope that students find the assessments valuable and take full advantage of the opportunity to consolidate their learning. We will not be using the results for sets or tiers of entry for examinations. Should you have any concerns about these assessments please contact your Head of Year, so that we can put in any support where required.

Yours sincerely,

Mrs Helen Timmins
Deputy Headteacher
