29th January 2019

Dear Parents/Carers,

As we reach a period of inclement weather, we would like to inform you of the arrangements for communicating to parents/carers any full or partial school closures. The school will always endeavour to stay open unless it is unsafe to do so. Academy staff have plans in place to assess the impact of inclement weather on the school site and travel to and from school, on days where severe ice or snow has been forecast.

The Academy may remain open, but with adjusted arrangements if travel is impacted by inclement weather, in order that we allow for staff and students to arrive at The Academy safely. Should a decision be made to close or partially close the Academy, a message will be posted on the school website and school Twitter account by 7am that morning. This will be the only official source of information and full attendance at school is expected unless you are informed otherwise.

With predicted snow fall in mind please encourage your child to dress appropriately for any impending weather conditions and remind them that they are expected to move carefully and sensibly around the building, ensuring that there are no Health and Safety issues. As always high standards of behaviour are expected. Students behaving in a less than sensible manner will be sanctioned with immediate Social Isolation.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'F O'Sullivan'.

F O'Sullivan
Deputy Headteacher
