Dear Parent/Carer,

It is only natural for young people – and indeed their families – to feel some anxiety around the full return to face-to-face education after a period of lockdown. You will see attached, guidance for parent/carers on managing this transition and supporting children with anxiety.

This information can also be found on the '*Student Well-being and Safety*' section of our website, within the *Information* tab, where we routinely upload helpful guidance for our families.

As always please feel free to get in touch with your child's Student Manager in the first instance, if you have any concerns relating to the well-being or safety of your child.

Kind regards,
