

Education Development Trust

At the Academy we work alongside the Education Development Trust who offer independent careers advice at points throughout your child's time at the school. This service offers highly specialised, bespoke advice for students from Year 7 through to Year 13, with individual meetings timetabled routinely in years 11 and 12/13. This will allow your child to make informed and individual choices about their future pathways.

Please could you select and tick the applicable boxes on the Consent Form sent as part of your Admissions Pack, to ensure your child has access to this intervention and return to The Academy as requested.
