Dear Parent/Carer,

Welcome to your virtual Transition Day 2020; your child's secondary school journey at THA begins now! Although recent Government guidelines altered our original transition plans, we have worked hard to ensure all students feel welcomed and relaxed come their first day in September by way of the video that we are launching today.

Please click [here](#) for your Transition pack, which will also be sent via post. The pack aims to answer any questions you may have about life at The Harefield Academy. In addition to this, below is a link to our transition video which is your opportunity to meet many members of our school community, as well as allowing you to virtually tour parts of the school. As with much of our great community initiatives, this is something that our students have had great input in and led on.

We hope that this has been helpful in preparing your child for joining our school community in September. Over the summer there will be the opportunity to meet fellow students and staff in the school setting during our Summer Camp, dates of which are listed below. If you are keen for your child to attend, and you have not yet expressed an interest please contact the email below.

Summer Camp

Week one – 10th -14th August

Week two- 17th -21st August

Contact- Gaynor.McCallum@theharefieldacademy.org

If you have any further questions regarding the transition process, please do not hesitate to contact me. We will be contact over the next few weeks to confirm dates, timings and logistics of your child's first day in September.

Hope you and your families have a safe and restful summer.

Kind regards,

R Bourne
