Dear Parents/ Carers,

I am pleased to say that the Year 11 and 13 students have been working hard in lessons on evidence for their portfolios, that will support us in confirming the grades they are working at.

Please find below the assessment schedule for the 7th – 18th June 2021.

We will be running one final exam board assessment in each subject to check that we have not under assessed any students. This will give all students the final opportunity to show what they know, to ensure that no student is disadvantaged. Over this two-week period all students need to come in to school for their assessments.

There will be no formal lessons and when they have finished the assessment, they can return home. Year 11 students need to sit the exam scheduled for each of the option blocks they study, should they not do a subject in the block, there is no assessment requirement, and they will not have to come into school on that day.

To support students, we have ensured that there is only one assessment on each day. These assessments are a final chance for the students to show us the grade they are working at and may well provide the final piece of evidence to secure a grade.

Should you have any issues with your child not being able to return home after the examination, please contact Mrs Gardner, Head of Year 11, or Miss King, Assistant Headteacher, via their emails below and we can make arrangements to support them staying on site.
