Please note the following, in line with recent Government **COVID-19 Safety Guidance**:

- Students are encouraged to walk or cycle into school. We have an area available at the front of the school for locking up bikes.
- Should students be required to use public transport please ensure that they follow the Government guidance. Wearing a face covering on public transport is now compulsory and should your child be travelling by this method it is essential that this is worn.
- In Reception a bin will be available for any disposable facemasks or gloves.
- On arrival at reception students are requested to wash their hands at the hand-washing station.
- Should students wish to wear a face covering in school this is perfectly acceptable.
- The Harefield Academy has a one-way system and signs are up around The Academy reminding all students to maintain appropriate social distancing. Students will be supported in navigating this by staff.
- All classrooms have good ventilation, with windows and doors open. There are robust procedures for the cleaning of classrooms.
- Should a student begin to feel unwell, they must report this immediately to a member of staff who will contact you.
- Should your child display any of the symptoms of Covid-19 please do not allow them to attend and be reminded to seek medical assistance. **If you do get a confirmed case of COVID-19, please ensure the school is informed as soon as possible.**

I am sure this will be a very worthwhile and enjoyable experience for all involved. If you would like to discuss any aspect of the programme, then please do not hesitate to contact me by **Monday 20th July** via my email at rbourne@theharefieldacademy.org.

Yours sincerely,

R Bourne
