December 2020

Dear Parents/Carers,

It is with great pleasure I present you with our Year 7 Settling in video via the link below. Our Year 7 Settling in Evening would normally allow parents and carers to experience what our newest cohort have been up to in their first term as well as providing answers to any outstanding queries you may still have. I hope the video can provide this as a virtual replacement however if you still have any concerns please do not hesitate to contact us.

Our Year 7 students have had a busy start to life at The Harefield Academy. As well as experiencing a vast variety of subjects within our curriculum, students have also been lucky enough to participate in several different assemblies ranging from Black History Month to Anti Bullying Week. This first term has also seen a record number of merits/achievement points for a Year 7 class which admittedly was helped by our cross school 'Double Reward Week' earlier this term.

Every day I have been impressed by the students resilience and flexibility to the adaptations put into place due to COVID-19, and I would like to echo the video by congratulating all staff, students and parents/carers on helping to contribute towards a smooth and successful transition into secondary school.

Please click on the below link to transport you to our Year 7 video.
