September 2020

Dear Parents/Carers,

We value parental feedback to support us in consistently ensuring that we are offering the best possible provisions for students at The Harefield Academy (THA). One of the ways we do this is by sending a questionnaire to all families in September of each academic year, followed up with a year group questionnaire in advance of each academic review meeting.

This year to ensure that we can gather as many views as possible, we are moving to asking for the questionnaire to be completed on google forms, which can be accessed via any electronic device. If you would prefer a paper copy please contact your child's Student Manager who can ensure that this is sent home. Students will also be doing a survey in school to ensure that their feedback also informs our school improvement strategy.

We have added a few questions about your internet access and your child's ability to access computers at home. This is so that we can prepare to support students, in the unlikely event that they need to study from home for a period of time.

The link to the google form is <https://forms.gle/Z3JN27fBe35WzD1F7>. You will require a Google account to access the online survey. Should you require a hardcopy of the survey contact THA Reception. Please can we have all questionnaires returned by the 2<sup>nd</sup> October 2020.

Should you have any questions about this, please do contact me via email

Yours sincerely
