September 2020

Dear Parents / Carers,

Please find below the informal assessment schedule for Year 11 for the week commencing 21<sup>st</sup> September. When students are not in assessments they are expected to be in lessons as normal.

Date	Time	Subject	Year Group	Location
21/09/2020	11.35-12.35	Science – Chemistry (Foundation)	Year 11	Circle room
22/09/2020	9.15-10.45	Maths non-calculator Higher and Foundation	Year 11	Circle room
25/09/2020	09.30-10.30	English Literature – An Inspector Calls	Year 11	Circle room

For the Maths assessment students will be expected to arrive to the circle room 5 minutes before the exam start time, with all the correct equipment. For the English Literature and Science exam, students will be escorted to the circle room by their class teacher. Students will require a calculator for the science exams.

To ensure that students are not distracted within the assessments and to give everyone the opportunity to do their best, we do expect all students to enter the rooms in silence. Should they have a question, students will need to raise their hand and an invigilator will come and support them.

To support students in their ongoing exam preparation, I have also attached a grid showing the exam boards each subject is following, links to revision guides and useful websites. We hope that students find the assessments valuable and take full advantage of the opportunity to consolidate their learning and prepare for mock exams later on in the year.

Should you have any concerns regarding Year 11 the assessments, please contact [gdenham@theharefieldacademy.org](mailto:gdenham@theharefieldacademy.org)

Yours sincerely

Helen Timmins  
Deputy Headteacher
