Date: 14th September 2020

Dear Parents/Carers,

We will be starting our HPV vaccination programme for all year 9 students. For your attention please find attached the Primary Care Trust/NHS vaccination letter and consent form.

Due to Covid-19 the vaccinations did not take place in the last academic year, however the letter from the Primary Care Trust/NHS will reference the last academic year. Vaccinations from last year will therefore be carried out this academic year.

This programme consists of a course of two vaccinations; the first is on Monday 5th October 2020. The Second round of vaccinations will be held on Tuesday 20th April 2021.

I would ask that you please complete the form, **whether or not you wish your son/daughter to have this vaccination.** This form must be completed and returned to the Welfare Office at The Academy, **no later than Friday 25th September 2020.**

Could I also please remind parents that on the day of the vaccination, female students may need to wear a short sleeved, white/pale pink t-shirt under their blouses so that they may slip their arm out, as sometimes the Academy blouse sleeves are too tight to pull up comfortably.

If you have any queries please contact either the Immunisation team on 01895 485740 or myself at The Academy. All forms will be taken by the Immunisation team for future reference.

Many thanks for your support with this.

Yours sincerely

Carol Pertl. (Mrs)
Senior Welfare Officer
