Students will be expected to arrive to the circle room 5 minutes before the exam start time, with all the correct equipment. To ensure that students are not distracted within the assessments and to give everyone the opportunity to do their best, we do expect all students to enter the rooms in silence. Should they have a question, students will need to raise their hand and an invigilator will come and support them.

We hope that students find the assessments valuable and take full advantage of the opportunity to consolidate their learning and prepare for mock exams later in the year. Should you have any concerns about the assessments please contact nking@theharefieldacademy.org.

Yours sincerely
