Teacher of Maths

Suitable for an aspiring middle leader

MPS (Outer London) Full-time April 2021

The Harefield Academy is an 11-18 comprehensive school. In our most recent Ofsted inspection in September 2018, the inspector reported that: *“The behaviour of pupils is good...Pupils are confident, welcoming and appreciative of their education and all that the staff do for them. Teachers apply their specialist subject knowledge to motivate pupils. They use questions thoughtfully to extend pupils’ thinking and refine their use of technical vocabulary. Leaders have demonstrated drive, resilience and commitment so that the school is a stable, purposeful and cohesive learning community.”*

As a smaller than average school, we are able to get to know each student well and respond effectively to their learning needs as a result. Similarly our staff work together in a collaborative, supportive and cohesive way with common purpose. We offer a comprehensive programme of continued professional development for teachers at all levels across the school, through numerous collaborative networks within the borough and externally. This is an exciting time for The Harefield Academy as we continue to go from strength to strength and we would welcome
